This is my first attempt writing a script since 7th grade, and seeing how I'm a sophomore in college now ... I've been out of touch with script writing for sometime. This is a 1st draft. I wrote it to be comedic and short ... meant to be filmed with myself directing and a few of my friends acting (didn't happen). I encourage you to try to film it yourself, the props and special effects shouldn't be too hard. Have fun with it. And feedback is always appreciated.

Evil Dead 4: Return To The Cabin
By, Joseph N. Schatz (bg21599@binghamton.edu)

Characters:

Ash (leading character)
BJ (Bubba Jack, Bubba Joe's brother or sister)
Evil 2 (some monster that almost looks like it can be famous)
Dr (the doctor who was researching the necronomica's ghost)
GF (Ash's dead girl friend)
Evil 1 (Fred Krugar)
Hand (Ash's hand)
Nar (narrator)

Scene 1: "what to do with one's self": In S-Mart, Ash has girl in arms and is deep in kiss

Ash (Voice, sos): Life was pretty normal for some time, but there was nothing left for me here in this world. My friend were all dead and my job at S-Mart was going nowhere. I was lonely too. I mean with my fiancée dead *show grave or fiancée walking around in zombie mode* and my right hand gone what was I suppose to do with myself? I decided to return to the cabin in search of my hand.

Scene 2: "no stupider than before": Starts off in car to the cabin then progresses into the cabin (very run down).

Car going across bridge with sign that reads "Bridge Fixed". The car pulls up at a cabin in the middle of the woods.

Ash: *Ash gets out of the car* Groovy
Evil 1 (Voice): Join us.

Ash walks inside house and slams the door shut. From inside the house you can hear Ash screaming as if he just realized how stupid he was for going back to the place where all his friends were killed.

Camera (as Evil 1) opens door and goes inside, standing behind Ash. Ash slowly turns around and screams and then runs away... the camera chasing after him. After several rooms camera catches up to Ash... and with a mighty swipe (clawed-hand) knocks Ash's mechanical hand off and runs back.

Blood is everywhere. Ash bandages up his hand.

Ash: GIVE ME BACK MY HAND!

Scene 3: "Necropheliacs-R-Us": Same setting as where Ash lost his hand (the mechanical one) and continues to a bedroom which seems extremely nice (which is odd) but completely empty besides the bed itself.

GF (Voice): *giggles* Don't you love me Ash? *Ash looks around and after some time finds his dead girlfriend wearing sexy clothing.*
Ash: You're dead!
GF: So?
Ash: I'm not a necropheliac.

GF pushes Ash to the ground and gets on top of him attempting to kiss him (no head... not working).

GF: You said you'd always love me Ash.
Ash: *Thinks to himself for a while, grabs GF.* Give it to me baby. *Starts kissing neck area (where head should normally be). After a couple of seconds Ash picks GF up in his arms and carries her to the next room (the bedroom). Ash places GF down upon the bed and gets on top of her.*

Ash (Voice, sos): Well I did say I'd always love her... ... and without a hand...
GF: OH ASH, OH ASH!
Evil 2 (Voice): *chuckling* He's coming over.
Ash: Hey Honey, do you think you can get your friends to leave... just for a while.

GF's head pops out covered in blood she smiles, turns to door.

Evil 1: But we wanted to—
Evil 2: It was just getting—
Evil 1: good.
GF (voice): OUT!
Evil 1: fine.

hang heads and leave... camera goes back to Ash and GF.

GF: OH ASH!
Ash: Oh....!

Scene 4: "Post-Sex": In the bedroom, progresses to the room where Ash lost his hand (the mechanical one).

Show sign that reads "15 seconds later". Ash is standing pulling up pants with his one hand, smoking a cigarette. GF roles off the bed (head gone).

Ash: This cigarette tastes worse than kissing a dead body. *Ash spits the cigarette out*
GF (Voice): Hey!
Evil (Voice): Join us.
Evil 2 (Voice): He already did
Evil (Voice): Oh, yeah.... ummmm.... leave us
Evil 2 (Voice): Shut up! Disregard him

Ash looks around as if to see where the voices are coming from. After some time he decides to go towards the door and slowly opens it up. Inside he sees his hand scamper away. Ash begins to enter the room to chase after it but he's cut off by Bubba Jack who jumps in front of him.

BJ: Hey! Watch out! *Ash gives a distressed look (his hand is getting away)*
Ash: Out of my way!
BJ: The way I see it, you want to get by and you can't.
Ash: So move.
BJ: Where's my sister Bubba Joe?
Ash: In the forest. NOW MOVE!
BJ: YOU KILLED HER!
Ash: *confused* huh? what?
BJ: YOU KILLED HER!
Ash: No.
BJ: HOW COULD YOU KILL BUBBA JOE?? *looks up to the heavens* I loved you Bubba Joe. *Looks back at Ash* YOU KILLED HER!
Ash: *Tries to get by, Bubba Jack grabs him and pulls him near.* Listen, it wasn't me.
BJ: Oh. *BJ lets go, Ash pushes past him. The hand is nowhere to be seen.*
Ash: Great, it got away.
Hand (Voice): never catch me.... hehehehe.... nope, never catch me
BJ: Hey, what happened here? *Evil 1 moves so that he is standing directly behind BJ, but BJ doesn't notice... too much taking in the unusual surroundings*
Evil 1: They all died! *Slashes BJ's head off. Ash turns around and is face-to-face with Evil 1... and is scared.* I didn't like him either.
Ash: *unsure how to take Evil 1's last statement* Thanks. *Hand has now moved so that it rests right on Ash's shoulder.*
Hand: Right here. *Evil 1 tries to slash Ash but Ash is off and chasing after the hand at this point (seen in background) as Evil 1 is left standing there. Evil 2 comes in standing next to him and tries to comfort Evil 1 like any good friend would.*
Evil 2: Nice try.
Evil 1: Eh, didn't want to kill him... let's torment him a while longer.

Scene 5: "how to get the hand back": Ash is now in a third room sitting on a rocking chair tired (it was a hard chase and his hand still got away).

Hand (Voice): Hehehehe, never catch me. *Ash gives a frustrated/angered look*
Dr (Voice): To get your hand back you must dispel the evil.
Ash: *not even slightly taken off guard by the mysterious voice* And how can I do that?
Dr (Voice): The book *camera screen moves to show the open pages of the necronomica, and then back to Ash.*
Ash: I can't read that! I'm only an S-Mart employee!
Dr (Voice): Oh.
Hand: Hehehehe, never catch me *Ash is up and running after the hand*
Ash: Come back here you little—
Dr (Voice): Then say the following words, Talmancha Frabatchi—
Hand: mun mun—
Dr (Voice, fading): necropsuuuuuu..... *Ash stops now knowing the words, standing as if ready for battle. His hand still running around and occasionally tapping Ash on the shoulder is constantly talking gibberish.*
Ash: You and me baby. Talmancha Frabatchi mun mun! *Hand jumps on top of Ash's head and is tapping his fingers, which is annoying Ash.*
Hand: Hehehheheh, WRONG!

Scene 6: "it's the end of the world as we know it (and I feel fine)": Same room as last scene. The screen is shaking and horrible noises are heard in the background.

Ash (looking towards the heavens): Why me?
Evil 2 (Voice): Because you always forget the correct words to say.
Ash (dropping head): Oh.
Hand (Voice): Hehehehe, never catch me. *Screen stops shaking, noises continue. Ash looks around trying to figure out where the hand is now.*
Ash: Shut up! *Evil 1 has now moved directly behind Ash with his claw on Ash's shoulder, making Ash believe it's his hand. Ash grabs the claw.* Gotcha! *Spinning around Ash realizes what he has grabbed.*
Hand (Voice): *Evil 1 is smiling.* One, two Freddy's coming for you ; Three, four better lock your door ; Five, six get your crucifix ; Seven, eight gonna stay up late ; Nine, ten never sleep again—
Evil 2 (Voice): Goodnight *Evil 1 slashes Ash's head sending it flying across the room (blood everywhere). The head flies back into the bedroom and there's a close-up on evil1 who is standing in a victory stance.*
Evil 1: I got him, I got him.

Scene 7: "back in bed": Takes place in the bedroom. Ash's head is laying on the pillow.

Ash: GIVE ME BACK MY BODY!
Hand: *Hand is picking Ash's nose, flicking his ears, or something of equal annoyance* Hehehehe, you never caught me. *Ash tries to bite the hand but the hand runs away.*
Ash: What more do you want from me?
Evil 2 (Voice): Join us.
Evil 1 (Voice): Come here Kenny. *A muffled child scream is heard.*
Hand (Voice): Oh my god, they killed Kenny. YOU BASTARDS!

Scene 8: "the happy ending Ash so rightfully deserves": Same room as last scene, Ash's head still on the Pillow

GF's head pops up from under the blankets and is next to Ash's head and they begin to kiss.

Ash (Voice): While I never caught my hand, and lost the rest of my body, I consider my return to the cabin fairly successful. I'm not lonely anymore and for the most part I have my fiancée back. Her being dead is only a minor set back.

Fade-out with a close up of the two heads making out.
